## Workshop Four

This workshop is specifically designed for  
API Graduate and Student Members

### **LANDGATE TOUR Midland Office**

### **Understanding Land Titles**

Landgate is the Agency responsible for Western Australia's land and property information. It maintains the State's official register of land ownership and surveying information, and also manages land and property valuations in Western Australia.

Landgate is in the process of developing a common platform to provide increased access to government land and property information and is investigating ways to partner with sections of industry and government to provide better quality and more accessible land and property information.

### **Learn first hand about the operations of the Titles office**

**HOW DO I REGISTER?**

Each tour is limited to 10 places, so registrations will be on a first come, first served basis.

This flyer contains details of proposed tour dates and as such allows you to register now for any of the dates. Some of these will sell-out, so we encourage you to complete the form and register as soon as possible. Please note the closing dates for registration for each Tour - at this date a decision on the viability of each tour will be taken.
