The President of the Division appoints experts from the panel to undertake determinations across Western Australia. It is an expedient, inexpensive dispute resolution process.

This is a compulsory workshop for any Member of the WA Division who is seeking inclusion on the Divisional President's panel from which appointments to undertake Rental and Capital Valuer Determinations are made.

- Existing panel members are required to renew their eligibility for appointment by attending the workshop.
- Members who wish to be added to the panel are required to attend the workshop

The broader membership is encouraged to attend this benchmark biennial event. The President's panel will consist of experienced practitioners, however young members who aspire to be involved in this area of expert practice are encouraged to attend. Rental determinations are extremely important in the property industry in Western Australia

This is a "hands on" workshop with practical guidance and sample material for determinators to utilise.

The workshop will introduce the recently endorsed National Policy on Presidential Appointments.

Cameron MacLean, Partner at Phillips Fox will be the keynote speaker, supported by Divisional practitioners each of whom has wide experience in determinations and is able to provide relevant case study material.
